

The background of the slide is a complex, abstract network diagram. It features a dense web of thin, light gray lines connecting various nodes. The nodes are represented by circles of different sizes and colors, including dark blue, light blue, and gray. Some nodes are larger and more prominent, while others are smaller and less noticeable. The overall effect is a sense of interconnectedness and complexity, typical of a network architecture or system diagram.

ARQUITECTURA Y SISTEMAS OPERATIVOS

Comandos de Configuración – Parte 5

GNU/Linux

COMANDO - SETXKMAP

Mediante este comando nos permite configurar el teclado.

- `setxkbmap -layout 'es,es' -model pc105`

COMANDO - TIMEDATECTL

Mediante este comando nos permite configurar el idioma.

- `sudo dpkg-reconfigure locales`
- `locale`

COMANDO - IDIOMA

Mediante este comando nos permite configurar el teclado.

- `timedatectl`
- `timedatectl list-timezones`
- `timedatectl set-timezone America/Argentina/Buenos_Aires`
